Searching by Topic

You are searching the text of articles so common searches retrieve a lot of articles that may not be relevant.

If you are searching by an exact phrase, use quotes: “jury tampering”

If you want to find terms close together in any order in a paragraph (e.g. selection of a jury or jury selection, use /p: jury /p selection

If the words can appear in any order and you want to find in a sentence: procedural /s motion

Note: You can use the asterisk (*) to find forms of words. This will find the words jury and selecting or select or selection: Jury select*

1. **Socially Networked Jurors Raise Concern: Empanelling Anonymous Juries to Protect the Defendant's Right to a Fair Trial**

Wayne Law Review 2011 | 57 Wayne L. Rev. 557

In the recent highly publicized criminal prosecution of former Illinois Governor Rod Blagojevich, a federal judge cited the Internet age and the ubiquity of social networking sites as reasons for withholding jurors' names from the media until after the verdict. With over 800 million active Facebook users spending 700 billion minutes per month on... the country have utilized the procedure to protect jurors, prevent jury tampering, and limit media influence. 2. **Prejudice, Procedure, and a Proper Presumption: Restoring the Remmer Presumption of Prejudice in Order to Protect Criminal Defendants’ Sixth Amendment Rights**

Iowa Law Review May 2008 | 93 Iowa L. Rev. 1451

**Abstract:** The Sixth Amendment guarantees a criminal defendant the right to a trial by an impartial jury. A defendant's Sixth Amendment rights are threatened when a jury is exposed to extrajudicial information or engages in improper contacts with third parties. In Remmer v. United States, the Supreme Court held that when extrajudicial information or... jury, the statement, just like many others, would not suggest jury tampering because it would not be apt to impress the... the defendant. [FN17] The Fifth Circuit concluded that even in jury tampering cases, the court should not apply an automatic presumption of...

South Dakota Law Review 2005 | 50 S. D. L. Rev. 322

The jury has been hailed as one of the greatest attributes of democracy. Described as a “magistracy” by Alexis de Tocqueville two centuries ago, the jury system affords ordinary citizens the opportunity to participate in the administration of justice. These citizens act as the conscience of the community and provide a bulwark against governmental... strong justification for applying a presumption in cases of serious jury tampering. [FN44] Such conduct is pernicious, likely to poison the integrity... juror contacts may require evidence of prejudice to gain relief. Jury tampering is a much more serious intrusion into the jury's processes...

4. **Influences on the Jury**

Georgetown Law Journal May 2003 | 91 Geo. L. J. 513

The Sixth Amendment provides that an individual accused of a crime has a right to trial by an impartial jury. Trial judges are responsible for protecting this right to ensure that the defendant receives a fair trial, and their findings regarding juror impartiality are entitled to great deference. Claims of juror bias and misconduct are subject to...
CONTAMINATING THE VERDICT: THE PROBLEM OF JUROR MISCONDUCT

I. INTRODUCTION

The jury has been hailed as one of the greatest attributes of democracy. Described as a "magistracy" by Alexis de Tocqueville two centuries ago,¹ the jury system affords ordinary citizens the opportunity to participate in the administration of justice. Two centuries ago, one of the greatest attributes of democracy has been hailed as a "magistracy" by Alexis de Tocqueville. The jury system affords ordinary citizens the opportunity to participate in the administration of justice. The Constitution guarantees a criminal defendant the right to a jury trial, understood preeminently as the right to a fair trial by an impartial jury. In two recent high-profile criminal trials in New York, the right to an impartial jury may have been compromised by questionable conduct by jurors.

Following their convictions in federal court for conspiracy, obstruction of justice, and making false statements to government officials, Martha Stewart and co-defendant Peter Baneanovic alleged that one of the jurors deliberately concealed material information from his jury questionnaire and thereby prevented the defendants from exposing possible biases he may have harbored against them. Defendants Stewart and Baneanovic also sought a new trial on the ground that jurors considered information during their deliberations that was not received in evidence. The defendants sought an evidentiary hearing to

2. RACIAL JURYMANDERING: CANCER OR CURE? A CONTEMPORARY REVIEW OF AFFIRMATIVE ACTION IN JURY SELECTION

Racial and ethnic minorities continue to be substantially underrepresented on criminal juries. At all stages of jury selection—venue choice, source list development, qualified list development, and jury panel and foreperson selection—traditional methods of selection exclude a disproportionate number of minorities. In response, a growing number of...

3. HOW DIFFERENT IS DEATH? JURY SENTENCING IN CAPITAL AND NON-CAPITAL CASES COMPARED
Ohio State Journal of Criminal Law | Fall, 2004 | 2 Ohio St. J. Crim. L. 155

Drawing upon a recent study of felony jury sentencing in Kentucky, Virginia, and Arkansas, this essay highlights some of the similarities and differences between jury sentencing in capital cases and jury sentencing in non-capital cases. Unlike jury sentencing in capital cases, jury sentencing in non-capital cases includes functional differentials...

2. CIVIL APPELLATE MOTION PRACTICE

When considering appellate practice, attorneys generally focus on the complexities of brief writing and the challenges of oral argument. An often-overlooked aspect is the sometimes significant motion practice that occurs before a case is assigned to a panel. The purpose of this article is to give you some information about how the Arizona Court of...

3. BREATHING NEW LIFE INTO PROSECUTORIAL VINDICTIVENESS DOCTRINE

For several decades, courts have held that the Constitution prohibits prosecutors from punishing criminal defendants--either by adding charges or by increasing their severity--in response to defendants' exercise of constitutional or statutory procedural rights. Blackledge v. Perry is the leading case setting forth this doctrine of prosecutorial...

5. NO ONE AGREES... BUT ME? AN ALTERNATIVE APPROACH TO INTERPRETING THE LIMITS ON JUDICIAL REVIEW OF PROCEDURAL MOTIONS AND REQUESTS FOR DISCRETIONARY IMMIGRATION RELIEF AFTER KUCANA v. HOLDER

Justice Breyer: If you don't get review of the substance, you shouldn't get review of the reopening. Both are the same thing. They are just filed at different times. So that, to me, is the only reading of this statute that I have yet found that made sense. But since no one argues for it, I'm sure I must be making some huge mistake. But that's what...
